Dear Mr. Guida:

This is to acknowledge receipt of your request pursuant to the Access to Information Act for documentation pertaining to:

"I would like to request access to any emails, correspondences, proposals and/or official requests made to the NCC in the last three months by the Government of Canada for a federal land use approval request to remove trees on Parliament Hill. If none exist in the last three months, then I would like to request any federal land use approval requests made in the past, specifically between 1975 and 1979, in regards to the removal of trees with Dutch elm disease."

Should you have any questions, please do not hesitate to communicate with me at (613) 239-5678, extension 5788 or by e-mail at alain.belleville@ncc-ccn.ca. Please refer to the file number indicated above in all communications pertaining to this request.

Yours sincerely,

Alain Belleville

Good morning,

As per our phone conversation you wished to amend your request. I have inserted the modification in red below. Please confirm this accurately reflects the new scope for your request.

Thank you.

Alain

Hi Alain,

I am following up to confirm the status of my ATI request. How are you doing in finding the information I requested?

Please contact me at your earliest convenience.

Kind Regards,
Matthew Guida

Good afternoon,

We have retrieved the records responsive to your request. An extension letter has been sent to you March 11th, as we have sent a portion of the records for consultation with Public Services and Procurement Canada (PSPC). The new due date for the file is now May 21st. Note that we will complete the processing as soon as we receive the recommendations from PSPC should they be received sooner than anticipated.

Regards,

Alain

Hi Alain,

How did you send the extension letter?

I don't remember receiving an email or getting anything in the mail.

Kind Regards,
Matthew Guida
